

AMENDMENTS

In The Claims

Please cancel Claims 3, 14, and 15.

Please amend Claims 1, 4-7, 13, 16, and 17 as follows:

Sub A/b
Sub B
#2

1. (Once Amended) A mat comprising:

at least one layer of a material having a generally flat top surface and a generally flat bottom surface;

the bottom surface having at least one substantially cylindrical recession therein.

4. (Once Amended) The mat as described in Claim 1 wherein said at least one recession is located on at least one of a plurality of straight rows on said bottom surface and wherein said plurality of straight rows are parallel to each other.

5. (Once Amended) The mat as described in Claim 1 further comprising a top layer and wherein a top surface of said top layer is bonded with a third layer selected from the group consisting of yarn, carpet, and fabric.

6. (Once Amended) The mat as described in Claim 1 wherein said mat further comprises a first and second layer of said material, each layer having a top surface and a bottom surface, the top surface of said first layer being bonded to the bottom surface of said second layer.

AZ Sub B1

16. (Once Amended) A process for producing a mat according to Claim 6, comprising the steps of:

supplying the first layer of material;
press molding the first layer of material;
supplying the second layer of material; and
laminating said first layer and said second layer of material; and
curing said mat.
